Ranking System

Top 50 Achievers

Those who fall within Overall Ranking 1 to 50, are declared as Top 50 Achievers.

Zone Achievers

After the top 50 ranks; from the remaining, the first 5 from every Zone are declared as Zone-wise Toppers.

Students of the same class with similar total marks can have different Overall Ranks

When more than one student of the same class score the same, ranking is calculated based on marks gained in following order of subjects for class 1 to 5 Mathematics, General Science & Critical Thinking and for class 6 to 10 Mathematics, physics, chemistry, biology and Critical Thinking. In addition, the time taken is also taken into consideration.

Awards are given away to students (rankers or otherwise) only if they get marks above 50%.

FAQs

I got Overall Rank 45. Why my name does not appear in the Zone-wise achievers' list?

Zone-wise ranks are awarded to toppers, only after the first 50 Top Achievers. Your rank (Overall Rank) is based on the entire participation and so is above the Zone-wise Ranks. Hence, it cannot appear in the Zone-wise achievers' list.

Note: Zone-wise achievers are declared excluding top 50 Ranks.

What does "--" in Rank column mean?

Marks less than 30 percent, are shown as "--".

I want to get the information to assess my relative performance, Maximum marks scored by topper in each class.

You can check the same from this link.
