Ladiesfinger

Pumpkin

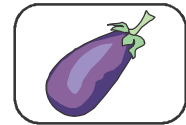

Onion

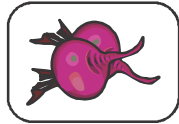

Radish

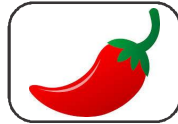

Peas

Brinjal

Beetroot

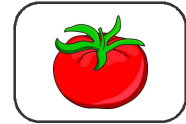

Red chilly

Cucumber

Corn

Tomato

Ginger

Bittergourd

Cabbage

Beans

Garlic

Underground	Herbs	Limbers/Creepers

02

To make food plant needs

S I g t

W t r

A r

03

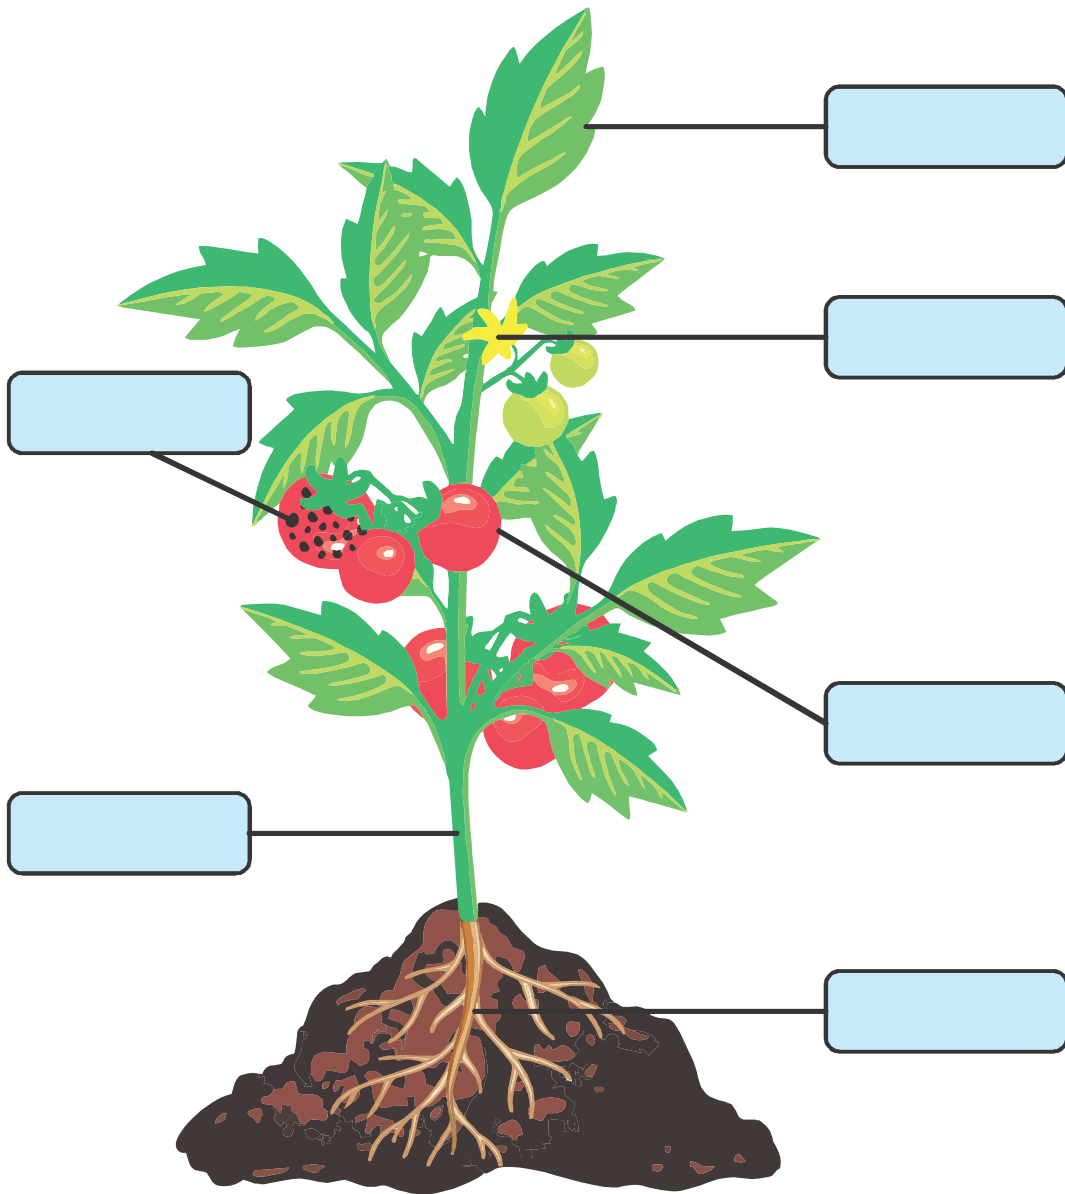

There are many kinds of plants around us. They are of different sizes and shapes. Match the following plants to their types by drawing a line across.

	SHRUB
	TREE
	CREEPER
	CLIMBER
	HERB
	
	
	

04

I am a Plant. Write the names of my parts.

Fruit	Roots	Flower	Leaf	Stem	Seeds
-------	-------	--------	------	------	-------

05 Different parts of a plant do different jobs. Read the statements in the leaf. Then say which part it is
