**03**

There are many kinds of plants around us. They are of different sizes and shapes. Match the following plants to their types by drawing a line across.

**04**

I am a Plant. Write the names of my parts.

Fruit	Roots	Flower	Leaf	Stem	Seeds
-------	-------	--------	------	------	-------

**05** Different parts of a plant do different jobs. Read the statements in the leaf. Then say which part it is
