

01

Animals are living things. We have learnt in our previous classes that we keep some animals at our homes or farms. They are very useful to us in many ways. These animals are called domestic animals. Can you name the domestic animal(s) which –

1. gives us wool ?

(a) **Sheep**

2. gives us honey ?

(a) **Honeybee**

3. give us eggs ?

(a) **Hen**

(b) **Duck**

4. are used for riding ?

(a) **Horse**

(b) **Camel**

5. plough our fields ?

(a) **Ox**

(b) **Cow**

6. we love to keep at home ?

(a) **Dog**

(b) **Cat**

7. pull the cart ?

(a) **Horse**

(b) **Ox**

8. gives us milk ?

(a) **Cow**

(b) **Goat**

(c) **Buffalo**

9. gives us flesh ?

(a) **Goat**

(b) **Hen**

(c) **Sheep**

02 Name three animals that match the given clues in each group.

**Animals that feed on plants
and flesh of other animals**

BEAR

CROW

RAT

**Animals that eat fruits,
grains, plants, and seeds and are
also known as plant eaters.**

MONKEY

SPARROW

COW
