## UNIFIED INTERNATIONAL ENGLISH OLYMPIAD - UE513 (UPDATED)

### KEY FOR CLASS : 2

#### Explanations and answers to select questions

01. The words are : (i) Plane [Q], (ii) Bee [R], (iii) Axe [S], (iv) Bottle [P]. So, option (D) is the correct answer.
02. The words are : (i) Nail [O], (ii) Chilli [N], (iii) Pigeon [L], (iv) Train [M]. So, option (C) is the correct answer.
13. 'Their', is a possessive adjective and not a possessive pronoun. Possessive adjectives in English refer to the possessor and not the thing possessed. That is why a thing possessed by a male is 'his' thing and that possessed by a female is 'her' thing. However, "Theirs" is a possessive pronoun. So, only option 'D' : 'Them' is the only pronoun and the correct answer.
16. A 'turtle', is essentially a sea animal. It has no legs but has flaps instead. And so can't walk. So a turtle (female) after having laid eggs in the sand on a beach, slides or drags herself through the sand towards the sea. What is found in rivers is a 'tortoise' and not a 'turtle', which has four legs on which it walks, although with a very low speed. So, only option 'B' : 'sea' is the correct answer.
25. In case of indefinite articles 'a' and 'an', we decide to use 'a' or 'an' before a word (noun/adjective), based on the sound that word's first syllable produces. If the sound produced is a vowel sound, we use 'an' and if it is a consonant sound, we use 'a'. This is irrespective of the letter at the beginning of that word. Here the sound produced by 'RTC' is a vowel sound as in 'Art' and hence the article 'an' should be used. It is similar like 'hour', where the sound produced is as in 'our' a vowel sound, and so we use 'an' before 'hour'. So, it is 'an' RTC bus; but 'a' Regional Transport Corporation's bus; because in 'Regional' the sound produced is a consonant sound as in 'ream'. So also in case of 'OLA', the sound produced is a vowel sound, as in 'Old' and hence the article 'an' should be used. So, option 'D' is the correct answer.
