17 Option (D) is the correct answer. Option (B) 'practise' can't be used, as it is a verb, not the noun 'practice'.

20 Option (D) is the correct answer. Article 'a' before, compels to choose only that option'.

23 Option (B) is the correct answer. The phrase 'along with' seems to join the subjects, but it does not work as a conjunction, like 'and'.

27 Option (D) 'is' is the correct answer. Arithmetic expressions require a singular verb.

28 Option (C) is the correct answer. The letter 'H' is pronounced as 'etch', a vowel sound, hence 'an'; 'Himachal' begins its pronunciation as 'he', a consonant sound, so 'a'; and 'ignorant' being a stand-alone adjective, does not take any article.

30 (B) is the odd one; as that alone can be a verb and a homonym too.

31 Option (D) is the correct answer. There is no change of speech in the reported speech as the reporting verb (will) is a future rense.

34 Option (D) is the correct answer. The given sentence being in past perfect continuous tense, the change to passive form is not possible.

39 Option (B) is the correct answer. The four homonyms are : Box, felt, dish and lighter. And we have 7 homophones in that paragraph : in, one, break, him, sea, to and knew.
