Explanations and answers to select questions

02 Option (A) is the correct answer. Its homophone is 'cheep', a sound young birds make.
03 Option (C) is the correct answer. The verb 'taste' does not have a gerund form.
05 Option (C) is the correct answer. The six other words are : carets, caters, caster, crates, reacts and traces.
06 Option (D) is the correct answer. Vlog = Video + log (A blog that primarily uses video content).
08 Option (C) is the correct answer. It is the same spelling for its singular and plural.
10 Option (D) is the correct answer. The four adjectives are : His, daily, strong and manly. Possesive adjectives in English (his) refer to the possessor and not to the thing possessed.
12 Option (B) is the correct answer. The correct spelling is : Incidentally.
20 Option (D) is the correct answer. Option (A) or (B) can't be used because of the presence of article 'a' before the blank. Not option (C), as it will require 'the', a definite article before it.
24 Option (C) is the correct answer. 'Statistics' here, is not a field of study but is a plural noun meaning a collection of information shown in numbers and so 'are' is the correct answer.
26 Option (C) is the correct answer. Article 'a' before 'half' because it produces the sound of 'h' as in 'horse', a consonant sound; 'an' before 'hour' because it produces the sound of 'o' as in 'our', a vowel sound; no article before the adjective 'extra' because its noun 'money' is an 'uncountable' one; and 'the' before 'horse ride' as the reference is to a paticular horse ride, a hired one.
27 Option (D) is the correct answer. There is no change of tense in the reported speech because the reporting verb (says) is in the present tense.
30 Option (C) is the correct answer. The change of voice is not possible, because the sentence uses 'future continuous tense'.
31 Option (A) is the correct answer. It is a third conditional, If + past perfect . . . would + have + past participle, only with the placement of clauses interchanged.
33 Option (B) is the correct answer. Others require a bat/stick in addition to a ball.
