**National Level Science Talent Search Examination**

The NSTSE is an independent yet comprehensive examination that delivers challenging and high quality educational experience through a broad array of applied learning settings.

**The NSTSE question papers are scientifically designed to test concepts underlying the curriculum in an interesting way.**

**NSTSE** evaluates the strengths and weaknesses of the students and presents them in detailed diagnostic reports, valuable for specific improvement and further development of students.

This encourages students to reason critically and solve problems, which helps boost confidence and enables them to optimise their potential.

**Eligibility**

The medium for the Test is English. Students of classes 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11(PCM), 11(PCB), 12(PCM) & 12(PCB) are eligible to participate in this examination.

**Syllabus**

NSTSE question papers are suitable for student following CBSE/ICSE/ISC and various other State Board syllabi.

Please refer to the syllabus provided.

**Examination Pattern**

Each class has a different question paper.

All the questions are objective-type with no negative marking for wrong answers.

Duration of the examination for all classes is 60 minutes.

**Division of Marks**

**For Class 1** Mathematics : 15 General Science : 25

**For Class 2** Mathematics : 20 General Science : 30

**For Classes 3 to 5** Mathematics : 25 **For classes 6 to 10** Mathematics : 25  
 General Science : 30 Physics : 10  
 Critical Thinking : 05 Chemistry : 10  
 Biology : 10  
 Critical Thinking : 05

**For Classes 11 & 12 (PCM)** Mathematics : 25 **For Classes 11 & 12 (PCB)** Biology : 25  
 Physics : 15 Physics : 15  
 Chemistry : 15 Chemistry : 15  
 Critical Thinking : 05 Critical Thinking : 05

**Our Tests are unlike other tests in many different ways**

**Our Tests:**

- have interesting questions that require thinking, not simply recall.
- provide detailed skill-wise feedback highlighting strengths and weaknesses
- provide a benchmark of the students' performance with peers across the country.
- are conducted to test students' fundamentals, understanding of concepts and application skills rather than memory skills
- are well researched and aptly designed for students' learning

**TEST CENTRE**

The Test Centre is the school itself.

**PRESENTATION OF AWARDS**

Awards for Gold Medal winners are presented by eminent personalities at a grand function in Hyderabad.

**A unique service from Unified Council**

We are providing Student's performance Report (SPR), which gives all the details of

- His/her chosen answers for all question in the NSTSE
- Correct answers for all questions in the examination
- Subject-wise marks
- Overall ranking at the national level
- Group highest marks
- Question-wise analysis and Skill-wise analysis

SPR provides a true feedback on real learning and allows students to realise where he/she stands and pinpoints areas of his/her strengths and weaknesses. This exam provides a feedback for improvement.

Dear Parent,

Do you wish to know how your school-going son/daughter is faring in his/her studies ? You might have known this by seeing his/her report card. But is that enough to know where he/she stands in a State-wide or Nation-wide assessment in today's world which thrives on competition ? Success in life emerges from a strong and healthy competition and competition is the only way to succeed. We entice students to compete.

The aim of education is essentially a student's learning. However, rarely you benchmark your efforts to measure that. We all need to know how the children handle a difficult problem in mathematics or a complex-constructed question in science and how do they analyse the same.

We, at Unified Council, devote all our intellectual resources in developing tools to assess student's learning. Unified Council pioneers in quality educational testing and assessment services in India. It has been involved in educational assessment since 1998 and is the largest and independent provider of testing and assessment of school education.

Based on the development of a skill-blueprint, highly experienced educational specialists with years of teaching experience, develop our tests/exams.

Technology empowered assessment tools used by Unified Council and the detailed analysis and results of these exams will give an in-depth report of your child's strengths & weaknesses and would highlight the areas where improvement is needed. This will serve as an invaluable tool for the continuous development of his/her intellect.

Here is the schedule of our exams this year:

<b>Unified Cyber Olympiad - 2019</b> (on 17-09-2019) and (01-10-2019)
<b>Unified International English Olympiad-2019</b> (on 18-10-2019) and 08-11-2019
<b>National Level Science Talent Search Examination -2020</b> (on 04-12-2019) and (15-12-2019)
<b>Unified International Mathematics Olympiad -2020</b> (on 28-01-2020)

We conduct our exams simultaneously in **India, Indonesia, UAE, Saudi Arabia, Yemen, Kuwait, Oman, Qatar, Russia, Tanzania, Iran, Libiya, Singapore, Malaysia and Nepal.**

Your child's school is participating in this year's examinations. To register, please return the completed registration form to the school, along with the exam fee.

All participating students, get a certificate.

For more details, please visit our website.

With best regards,

**K.S.VAS**  
Director
