## Ranking System

### Top 25 Achievers

Those who fall within All India Rank 1 to 25, are declared as Top 25 Achievers.

### State Achievers

After the top 25 ranks; from the remaining, the first 10 from every State are declared as State-wise Toppers.

**Note:** Top 10 rankers in each State (with a minimum participation of 10,000 students; otherwise Top 5) are awarded a Special Award as a token of encouragement.

### Students of the same class with similar total marks can have different Overall Ranks

When more than one student of the same class score the same, ranking is calculated based on marks gained in following order of subjects: For Classes 1 & 2: Mathematics, Logical Reasoning, for Classes 3 to 5: Mathematics, Logical Reasoning & Critical Thinking and for Classes 6 to 10: Mathematics, Mathematics-2, Logical Reasoning & Critical Thinking.

**Awards** are given away to students (rankers or otherwise) only if they get marks above 50%.

### FAQs

#### I got All India Rank 24. Why my name does not appear in the State-wise achievers' list?

State-wise ranks are awarded to toppers, only after the first 25 Top Achievers. Your rank (All India Rank) is based on the entire participation and so is above the State-wise Ranks. Hence, it cannot appear in the State-wise achievers' list.

**Note:** State-wise achievers are declared excluding top 25 Ranks.

#### What does "--" in Rank column mean?

Marks less than 30 percent, are shown as "--".

#### I want to get the information to assess my relative performance, Maximum marks scored by topper in each class.

You can check the same from this link. <https://www.unifiedcouncil.com/achievers-uimo.aspx>
